

DUAL STUDY PRO- GRAM MECHANICAL ENGINEERING

M/F/D

Apply now for your apprenticeship
horn-group.com/de/career

YOUR STUDIES:

The dual study program is divided into theoretical and practical phases. The theoretical phases take place at DHBW Horb. There, you'll be taught theoretical fundamentals in mechanics, thermodynamics, and mathematics. The practical phases take place in Tübingen at HORN. There, you can put the theory you've learned directly into practice. Exciting tasks and an open-minded team await you. Become part of HORN, too.

FACTS ABOUT THE PROGRAM

- **Duration:** 3 years
- **Working hours:** 37 hours per week
- **Vacation:** 30 days per full year of employment
- **University:** DHBW Horb
- **Focus areas:** Design and development, or production technology
