

# MECHATRONICS TECHNICIAN

M/F/D

Apply now for your apprenticeship  
[horn-group.com/de/career](https://horn-group.com/de/career)

# YOUR APPRENTICESHIP:

During your dual vocational training, you will learn the fundamentals of metalworking, electrical engineering, and electronics. You'll assemble machines, commission them, and be responsible for electrical installations as well as programming. Rotating through the departments of maintenance and mechanical engineering gives you the opportunity to directly connect practice and theory. Exciting tasks and an open-minded team await you. Become part of HORN, too.
