

PRODUCTION ENGINEER

M/F/D

Apply now for your apprenticeship
horn-group.com/de/career

YOUR APPRENTICESHIP:

During your dual vocational training, you will learn the fundamentals of metalworking. As you rotate through the departments of production, mechanical engineering, and maintenance, you'll be able to directly connect practice and theory. You'll learn to recognize interrelationships and to implement optimizations in processes and workflows. Exciting tasks and an open-minded team await you. Become part of HORN, too.

FACTS ABOUT THE PROGRAM

- **Duration:** 3 years
- **Working hours:** 36 hours per week
- **Vacation:** 30 days per full year of employment
- **Vocational school:** Technical School in Aalen
